

BYSTANDERS PROTECTING CHILDREN FROM BOUNDARY VIOLATIONS AND SEXUAL ABUSE

VIRTUAL TRAINING

A bystander is a person who is not directly involved in an interaction, but senses something is unsafe. Witnesses a boundary violation or a vulnerable situation of a child.

- Learn how bystanders play an important role in protecting children from boundary violations and sexual abuse.
- Learn skills for intervening when someone has crossed a boundary with a child.

Liberty House Prevention Department is proud to offer a training to Help adults become an advocate, caring adult, to act, and claim responsibility for a child's wellbeing in a vulnerable situation.

This training is an additional training to *Darkness to Light's Stewards of Children*. It builds on the foundational skills with the 5 Steps to Protecting Children.

You are highly encouraged to attend the training with all adults who are involved in providing care to your children.
